

ABOUT US

B&B Painting is your one stop shop for all your finishing needs. We have been serving customers in the Northern Tier of Pennsylvania and the Southern Tier of New York since 1972. B&B started out as a small Automotive body shop working on mainly cars and light trucks, and has since grown into a multi faceted business, serving customers all over the United Sates. B&B Painting has branched out from that small body shop doing automotive paint work over 35 years ago, to providing many individuals and companies the Spray on Bedliners, Powder Coating, and Sandblasting services they need. Oh, and we still do all the paint work too.

Services we offer:
